1. **Direct Deposit:** A direct deposit is an electronic credit to your account (e.g. government benefits, payroll). Transfers from one NB|AZ account to another or deposits made at a banking center do not qualify as a direct deposit. All direct deposits made during the statement month are added together to determine the total direct deposit amount used to waive the monthly service fee.
2. **Card Purchases:** All debit and credit card purchase transaction counts are added together to waive the monthly service fee. Only purchases made using the debit or credit card associated with this account qualify. Debit and credit card purchases must post and clear your account in order to be counted for the monthly service fee waiver, and must be made within the past 30 days of your statement cycle.
3. **25 years old or younger:** An account holder must be 25 years old or younger for the monthly service fee to be waived. This benefit will terminate at the end of the statement cycle in which all account holders turn 26 years old.
4. **Convenience Services:** Some online and mobile banking features may not be extended to minors. Internet, mobile, and text messaging service provider rates and fees apply for the following services: Online Banking, Mobile Banking, Card Alerts, or Mobile Card Fraud Alerts. Additional Bill Pay fees apply for expedited delivery options. Transaction notifications are sent to your email account and/or mobile device by SMS text. Account must be enrolled in Online Banking to enroll and manage Card Alerts.
5. **Everyday Debit Card Transaction:** A one-time transaction or purchase in which the cardholder provides their NB|AZ debit card or debit card number to a merchant for payment of goods or services that are not recurring. Each payment is normally authorized (confirmed) by you (usually with a PIN or cardholder's signature) at the time of the transaction or purchase. We are authorized to rely on the originating bank's or the merchant's coding of the transaction as an Everyday Debit Card Transaction for all purposes, including refusing or paying the charge and assessing the applicable fee if the account has an insufficient Available Balance.
6. **Recurring Debit Card Transaction:** A debit card transaction made on a regular basis, such as setting up your debit card to pay monthly bills. We are authorized to rely on the originating bank's or merchant's coding of the transaction as a Recurring Debit Card Transaction for all purposes, including refusing or paying the charge and assessing the applicable fee if the account has an insufficient Available Balance.

Overdraft Fees, Practices and Services (continued)

Overdraft Practices and Services

Standard Overdraft Practices: At our discretion, we may pay checks, ACH, Recurring Debit Card Transactions, and other Items that will overdraw your account. Payment of these items may result in Overdraft fees as disclosed above. Our Standard Overdraft Practices do not apply to ATM transactions and Everyday Debit Card Transactions.

Debit Card Overdraft Service: If you have opted-in to our Debit Card Overdraft Service, we may, in our discretion, pay ATM or Everyday Debit Card Transactions that will overdraw your account. Payment of these items may result in Overdraft fees as disclosed above.

Overdraft Protection Services: We offer Overdraft Protection Plans, such as a deposit account or line of credit linked to your account (credit approval required). These services may be less expensive than our Standard Overdraft Practices and/or Debit Card Overdraft Service. **See your Deposit Account Agreement for details.**

Transaction Processing

Deposit and Withdrawal Posting Information

Transactions are posted chronologically throughout the business day, whether they are deposits (credits) or withdrawals (debits), in one of two ways:

- (1) In-branch transactions, digital banking transactions, ATM transactions, wires, and Point-of-Sale PIN-based debit card transactions are immediately posted to the Bank's processing system at the time they are conducted;
- (2) Point-of-Sale signature-based debit card transactions, Automated Clearing House (ACH) transactions, "federal in-clearing checks" (checks drawn on your account but deposited at another bank), remotely deposited checks, lockbox transactions, and transactions processed by a Division of Zions Bancorporation, N.A. other than the Division that holds your account) are first grouped into batches of like transactions then posted at regular intervals (usually hourly).

Both ways of Real Time Processing pause at an End-of-Day Cutoff Point but resume the following business day. Interest is calculated and balances are determined (including balances for statement purposes, the Available Balance, any Overdrafts, or Insufficient Funds), at the End-of-Day Cutoff Point.
